

Abundances of disk and bulge giants from high-resolution optical spectra

II. O, Mg, Ca, and Ti in the bulge sample[★] (Corrigendum)

Key words. Galaxy: bulge – Galaxy: evolution – stars: abundances – errata, addenda

An error occurred during the production process. The subtitle of the article in the published version was “II. O, Mg, Co, and Ti in the bulge sample”. Here, we correct this to “II. O, Mg, Ca, and Ti in the bulge sample”.
